## **Executive Summary**

### **Notices:**

- **On January 1, 2012, the Administration for Children and Families implemented required electronic application submission via [www.grants.gov](http://www.grants.gov) for discretionary grant applications. Please see *Section III.3. Disqualification Factors*, *Section IV.2. Content and Form of Application Submission* and *Application Submission Options*, and *Section IV.3. Please see *Section IV.2 Content and Form of Application Submission* for detailed information on this requirement.**

The Administration for Children and Families (ACF), Office of Refugee Resettlement (ORR) announces the funding opportunity and award procedures for the Fiscal Year (FY) 2013 Discretionary Targeted Assistance Grant (TAG) Program. The Discretionary Targeted Assistance Grant Program is designed to assist newly arrived refugees and specific refugee populations with compelling situations who for various reasons have been unable to make the transition to economic self-sufficiency. ORR invites eligible applicants to submit competitive grant applications for programs that address employment, case management and social adjustment services for refugees to obtain self sufficiency in counties that do not receive Formula TAG funding and do not have other alternative funding resources or services available to address the needs of the target population. ORR will make \$4,849,282 million available for this program. The project period will be for three years, with three 12-month budget periods. Awards will be based upon the outcome of the review process and the availability of funds.

## **I. Funding Opportunity Description**

### **Statutory Authority**

The Office of Refugee Resettlement (ORR) is authorized to fund the Discretionary Targeted Assistance Grant (TAG) Program pursuant to §412(c)(2) of the Immigration and Nationality Act (INA), 8 U.S.C. §1522(c)(2). Specifically, section 412(c)(2) of the INA authorizes ORR to issue supplemental grants to states for services to refugees when states can demonstrate specific needs due to factors such as unusually large refugee populations (due to secondary migration), high refugee concentrations, and high use of public assistance.

## **Description**

### **A. Eligible Recipients of Services**

Eligible recipients of services provided through Discretionary TAG include refugees, asylees, Cuban and Haitian entrants (including Cuban medical professional parolees), certain Amerasians from Vietnam who are admitted to the U.S. as immigrants, certain Amerasians from Vietnam who are U.S. citizens, victims of a severe form of trafficking who receive certification or eligibility letters from ORR and certain other specified family members, and Iraqi and Afghan Special Immigrants. See 45 CFR § 400.43 and ORR State Letter No. 00-17 (September 14, 2000) on eligibility for ORR programs.

Also see ORR State Letter No. 01-13 ((May 3, 2001) on the Trafficking Victims Protection Act, as modified by ORR State Letters No. 02-01 (January 4, 2002), No. 04-12 (June 18, 2004), and No.10-05 (March 19, 2010). Finally, ORR State Letters No. 08-04 (January 18, 2008), No. 08-06 (February 7, 2008), No. 09-17 (April 9, 2009), and No. 10-02 (December 23, 2009) provide information on Iraqi and Afghan Special Immigrant eligibility. *ORR State Letters may be found at [www.acf.hhs.gov/programs/orr/policy#policy](http://www.acf.hhs.gov/programs/orr/policy#policy). ORR regulations may be found at [www.acf.hhs.gov/programs/orr/policy#regulations](http://www.acf.hhs.gov/programs/orr/policy#regulations).*

The term "refugee" in this announcement is intended to encompass all such persons who are eligible to participate in refugee resettlement program services.

### **B. Purpose of Fiscal Year 2013 Discretionary TAG Program**

The FY 2013 Discretionary TAG program is designed to fund eligible applicants (see *Section III.1*) for services that help refugees gain employment and achieve self-sufficiency where services for such have not been provided under Formula TAG, formula social services, or other federal, state, or local funding. The target areas of interest are regions with high secondary migration, high refugee concentrations, high unemployment, and/or high utilization rates of public assistance by refugees. Discretionary TAG funding will be used to address gaps in services. Under this announcement, applicants may request funding for activities that supplement and/or complement, but not duplicate, existing employment services that help refugees achieve economic self-sufficiency.

### **C. Program Funding Priorities**

The goal of Discretionary TAG is to assist refugees and other eligible groups who have been unable to make progress in their transition to economic self-sufficiency. Examples of targeted populations include: single income families (including single women), secondary migrants, and individuals experiencing difficulties with adjustment that hinder employment. ***ORR encourages applications from applicants who will use funding to serve eligible populations in counties that did not qualify for TAG formula funding and do not have other alternative funding resources or services available to address the needs of the target population.*** (Refer to ORR State letter No. 12-12 (October 3, 2012) for a list of counties with TAG formula awards <https://www.acf.hhs.gov/programs/orr/resource/state-letter-12-12> )

The Discretionary TAG funding opportunity announcement aims to expand the capacity of states and Wilson-Fish agencies with limited resources to address the needs of areas of high unemployment or

secondary migration. The announcement also seeks to promote the facilitation of case management and social adjustment services that facilitate employment.

ORR encourages applications that incorporate the following service components:

1. *Case management services*- Capacity to provide information and referral services and employment case management.
2. *Social adjustment services*- Orientation/counseling focusing on communication, stress management, and conflict resolution. Services should be geared towards self-sufficiency through employment, dual employment, increasing family income, and/or maintaining employment.

#### **D. Allowable Activities**

Discretionary TAG funds must be primarily used to implement activities that will facilitate refugee employment and self-sufficiency. Discretionary TAG funds may be used to complement or supplement existing employment activities already underway. Additionally, grantees may continue to use Discretionary TAG funds after a refugee has entered a job, in order to help the refugee retain employment or move up the ladder to a higher paying job. Services should be inclusive of all refugee groups, including LGBTI populations.

***ORR is particularly interested in unique service programs that incorporate intensive case management services and social adjustment services in connection with employment or employability services.***

**Below is a list of services that the applicant may propose.** This list is not all inclusive; it is not intended to limit applicants from designing a project that is well suited for a specific refugee population. *ORR encourages applicants to use innovative approaches to help refugees obtain jobs and economic self-sufficiency.*

Allowable activities include:

*a). Employment Related Activities {including all services listed at 45 CFR §400.154}:*

- Development of a family self-sufficiency plan or an individual employability plan;
- Referrals to job opportunities and/or job placement services;
- Case management services.

*b). Other Services {including all services listed at 45 CFR §400.155 excluding part (h)}:*

- Information and referral services, including orientation or counseling;
- Health related services, including mental health services;
- Home management services focused on building and managing a household budget;
- Social adjustment services on communication, problem solving skills, stress management, and conflict management;
- Services provided to refugees who experience challenges with gender roles and responsibilities related to employment (i.e., managing childcare, household, and financial responsibilities).

Note: Any proposal for subsidized employment will have to be approved by the ORR Director in accordance to 45 CFR §400.155 (h) if the award is granted.

#### **E. Program Performance Goals and Reporting Requirements**

Under the Discretionary TAG program, ORR collects data for each of the six ORR performance outcome measures. The six ORR performance outcome measures are:

1. Entered employment;
2. Cash assistance reductions due to employment;
3. Cash assistance terminations due to employment;
4. 90-day employment retention;
5. Average hourly wage at placement; and
6. Entered employment with available health benefits.

Discretionary TAG program activities and progress achieved towards meeting performance outcome goals are to be reported each trimester on the ORR-6. The due dates for ORR-6 are March 1, June 30, and October 1.

The ORR-6 is approved under OMB Control No. 0970-0036 which expires 10/31/2015. ***Employment and employability service outputs and outcomes must be reported on ORR-6, Schedule C; activities, accomplishments, and challenges must be reported on ORR-6, Schedule A, distinguished from all other activities from formula social services and formula targeted assistance grants.*** ORR expects grantees to maintain adequate records to track and report on project outcomes and expenditures by budget line item.

**For more information on applicant requirements specific to this FOA, please reference *Section IV.2. The Project Description.***

Cost Sharing / Matching Requirement: No

#### III.3. Other

##### DUNS Number and System for Award Management Eligibility Requirements (SAM.gov)

All applicants must have a DUNS number ([www.dnb.com](http://www.dnb.com)) and be registered with the System for Award Management (SAM, [www.sam.gov](http://www.sam.gov)) and maintain an active SAM registration until the application process is complete, and should a grant be made, throughout the life of the award. Finalize a new, or renew an existing, registration at least two weeks before the application deadline. This action should allow you time to resolve any issues that may arise. Failure to comply with these requirements may result in your inability to submit your application or receive an award. Maintain documentation (with dates) of your efforts to register or renew at least two weeks before the deadline. See the SAM Quick Guide for Grantees at: [https://www.sam.gov/sam/transcript/SAM\\_Quick\\_Guide\\_Grants\\_Registrations-v1.6.pdf](https://www.sam.gov/sam/transcript/SAM_Quick_Guide_Grants_Registrations-v1.6.pdf).

HHS requires all entities that plan to apply for, and ultimately receive, federal grant funds from any HHS Agency, or receive subawards directly from recipients of those grant funds to:

- Be registered in the SAM prior to submitting an application or plan;
- Maintain an active SAM registration with current information at all times during which it has an active award or an application or plan under consideration by an OPDIV; and
- Provide its active DUNS number in each application or plan it submits to the OPDIV.

ACF is prohibited from making an award until an applicant has complied with these requirements. At the

time an award is ready to be made, if the intended recipient has not complied with these requirements, ACF:

- May determine that the applicant is not qualified to receive an award; and
- May use that determination as a basis for making an award to another applicant.

## APPLICATION DISQUALIFICATION FACTORS

Applications from individuals, foreign entities, or sole proprietorship organizations will be disqualified from competitive review and from funding under this announcement.

### Award Ceiling Disqualification

Applications that request an award amount exceeding the *Award Ceiling* per budget period, or per project period, as stated in *Section II. Award Information*, will be disqualified from competitive review and from funding under this announcement. This disqualification applies only to the *Award Ceiling* listed for first 12-month budget period for projects with multiple budget periods. If the project and budget period are the same, the disqualification applies to the *Award Ceiling* listed for the project period.

### Application Submission Disqualifications

ACF requires electronic submission of applications at [www.Grants.gov](http://www.Grants.gov). Applicants that do not have an Internet connection or sufficient computing capacity to upload large documents to the Internet may contact ACF for an exemption that will allow these applicants to submit an application in paper format. Information on requesting an exemption from electronic application submission is found in *Section IV.2. Application Submission Options*.

**The deadline for electronic application submission is 11:59 p.m., ET, on the due date listed in the Overview and in Section IV.3. Submission Dates and Times.** Electronic applications submitted to [www.Grants.gov](http://www.Grants.gov) after 11:59 p.m., ET, on the due date, as indicated by a dated and time-stamped email from [www.Grants.gov](http://www.Grants.gov), will be disqualified from competitive review and from funding under this announcement. That is, applications submitted to [www.Grants.gov](http://www.Grants.gov), on or after 12:00 a.m., ET, on the day after the due date will be disqualified from competitive review and from funding under this announcement.

Applications submitted to [www.Grants.gov](http://www.Grants.gov) at any time during the open application period, and prior to the due date and time, which fail the Grants.gov validation check, will not be received at or acknowledged by ACF.

Each time an application is submitted via [www.Grants.gov](http://www.Grants.gov), the application will receive a new date and time-stamp email. Only those applications with on-time date and time stamps that result in a validated application, which is transmitted to ACF, will be acknowledged.

**The deadline for receipt of paper applications is 4:30 p.m., ET, on the due date listed in the Overview and in Section IV.3. Submission Dates and Times.** Paper applications received after 4:30 p.m., ET, on the due date will be disqualified from competitive review and from funding under this announcement. **Paper applications received from applicants that have not received approval of an exemption from required electronic submission will be disqualified from competitive review and from funding under this announcement.** See "Request an Exemption from Required Electronic Application Submission" in *Section IV.2. Content and Form of Application Submission*.

Applications that are disqualified under any of these circumstances will receive written notification by letter or by email.

### Section IV.2. Content and Form of Application Submission

#### **FORMATTING ACF APPLICATIONS**

##### ***FOR ALL ACF APPLICATIONS:***

##### **Authorized Organizational Representative (AOR)**

The AOR is an individual(s), named by the applicant/recipient organization, who is authorized to act for the applicant/recipient and to assume the obligations imposed by the federal laws, regulations, requirements, and conditions that apply to grant applications or awards. Each applicant must designate an AOR.

AOR authorization is part of the registration process at [www.Grants.gov](http://www.Grants.gov), where the AOR will create a short profile and obtain a username and password from the Grants.gov Credential Provider. AORs will only be authorized for the DUNS number registered in the System for Award Management (SAM).

##### **Point of Contact**

In addition to the AOR, a point of contact on matters involving the application must also be identified. The

point of contact, known as the Project Director or Principal Investigator, should not be identical to the person identified as the AOR. The point of contact must be available to answer any questions pertaining to the application.

### **Application Checklist**

Applicants may refer to *Section VIII. Other Information* for a checklist of application requirements that may be used in developing and organizing application materials. Details concerning acknowledgment of received applications are available in *Section IV.3. Submission Dates and Times* of this announcement.

**Follow the instructions provided in this application formatting section to ensure that your application does not exceed the page limitations and can be printed efficiently and consistently for the competitive review.**

### **Accepted Font Styles:**

All applicants must use 12-point font in Times New Roman (TNR).

### **Page Limitations for Application Submissions**

Applicants must observe the page limitations listed later in this section. Page limitations do not include OMB-approved Standard Forms (SFs) and OMB-approved forms

**All applications must be double-spaced and in Times New Roman, 12-point font.** An application that exceeds the cited page limitation for double-spaced pages in the Project Description file or the Appendices file will have the extra pages removed and these pages will not be reviewed.

Page limitations apply to electronically submitted and paper format applications. For applications that are single-spaced and/or one-and-a-half spaced (in whole or in part, except for the exempted elements listed later in this section) and/or use a font smaller than TNR, 12-point, ACF will use a formula to determine the actual number of pages. The formula counts the number of characters an applicant uses when following the instructions and using 12-point TNR and then compares the resulting number with that of the submitted application. For example, an applicant using TNR, 11-point font, with 1-inch margins all around, and single-spacing, would have an additional 26 lines, or 1500 characters, which is equal to 4/5 of an additional page. Extra pages resulting from this formula will be removed and will not be reviewed.

Be sure to print the Project Description and Appendices documents on paper and count the number of pages for each file before submission. Keep the printed copy as a hard copy of your application for your files.

### **Copies Required**

Applicants must submit one complete copy of the application package electronically. Applicants submitting electronic applications need not provide additional copies of their application package.

Applicants submitting applications in paper format must submit one original and two copies of the complete application, including all Standard Forms and OMB-approved forms. The original copy must have original signatures.

### **Signatures**

Applicants submitting electronic applications must follow the AOR Authorization and E-Biz POC instructions provided at [www.Grants.gov](http://www.Grants.gov).

The original of a paper format application must include original signatures.

### **Accepted Application Format**

With the exception of the required Standard Forms and OMB-approved forms, all application materials must be formatted so that they will print out onto 8 ½" x 11" white paper with 1-inch margins all around.

**The Project Description and Appendices files must be numbered separately.** The font size on any

scanned documents must be large enough so that it is readable. Do not scan more than one page of a document on a single page. Application pages with two or more pages of a document scanned to it will be removed and will not be reviewed.

### **Elements Exempted from Double-Spacing Requirements**

The following elements of the application submission are exempt from the double-spacing requirements listed earlier in this section: the one-page Project Summary/Abstract, required Assurances and Certifications, required Standard Forms, required OMB-approved forms, resumes, logic models, proof of legal status/non-profit status, contracts, and the Budget Justification. These items may be single-spaced. The Project Summary/Abstract is required to be one single-spaced page in 12-point font with 1-inch margins. The Budget Justification may be single-spaced but must be in 12-point font. Resumes must be in 12-point font, but are not required to be double-spaced. The font size on any scanned documents must be large enough so that it is readable.

### **ELECTRONIC APPLICATION SUBMISSION INSTRUCTIONS**

Applicants are required to submit their applications electronically unless they have requested and received an exemption that will allow submission in paper format. See *Section IV.2. Application Submission Options* for information about requesting an exemption.

Electronic applications will only be accepted via [www.Grants.gov](http://www.Grants.gov). **ACF will not accept applications submitted via email or via facsimile.**

#### **Application Upload Requirements**

**Each applicant is required to upload ONLY two electronic files, excluding Standard Forms and OMB-approved forms. No more than two files will be accepted for the review, and additional files will be removed. Standard Forms and OMB-approved forms will not be considered additional files.**

ACF strongly recommends that electronic applications be uploaded as Portable Document Files (PDFs). One file must contain the entire Project Description and Budget Justification; the other file must contain all documents required in the Appendices. Details on the content of each of the two files, as well as page limitations for each, are listed later in this section.

To adhere to the two file requirement, applicants may need to convert and/or merge documents together using a PDF converter software. Many recent versions of Microsoft Office include the ability to save documents to the PDF format without need of additional software. Applicants using the Adobe Professional software suite will be able to merge these documents together. ACF recommends merging documents electronically rather than scanning multiple documents into one document manually, as scanned documents may have reduced clarity and readability.

However, ACF understands that all applicants may not have access to this software. Grants.gov offers a listing of several free PDF conversion programs. These programs can be found on Grants.gov by clicking on ‘Applicant Resources’ on the far left side of the home page, and then by following the link to ‘Download Software’ near the top of the screen, or by clicking [HERE](#). Free PDF software is available on this page that will allow users to convert and merge PDF documents. As an example, ACF is providing written instructions on downloading and using one type of free software listed at Grants.gov at the following link: [https://www.acf.hhs.gov/sites/default/files/assets/pdf995\\_instructions\\_for\\_video.pdf](https://www.acf.hhs.gov/sites/default/files/assets/pdf995_instructions_for_video.pdf). A video demonstrating this process is also available at: <http://www.youtube.com/watch?v=lOly0HwXPsa>. ACF does not endorse any of the software listed on Grants.gov, and applicants are not required to use a specific type of PDF conversion software to submit an application.

**NOTE:** Applications submitted via [www.Grants.gov](http://www.Grants.gov) will undergo a validation check. See *Section IV.2. Application Submission Options* for more information. The validation check can affect whether the

application is accepted for review. If an application fails the Grants.gov validation check and is not resubmitted by 11:59 p.m., ET, on the due date, it will not be transmitted to ACF and will be excluded from the review. If an applicant resubmits their application to Grants.gov by 11:59 p.m., ET, on the due date and the application does not pass the validation check, it will not be transmitted to ACF and will be excluded from the review.

### **Required Standard Forms (SFs) and OMB-approved Forms**

Standard Forms (SFs) and OMB-approved forms, such as the SF-424 application and budget forms and the SF-P/PSL (Project/Performance Site Location), are uploaded separately at Grants.gov. These forms are submitted separately from the Project Description and Appendices files. See *Section IV.2. Required Forms, Assurances, and Certifications* for the listing of required Standard Forms, OMB-approved forms, and required assurances and certifications.

### **Carefully observe the file naming conventions required by [www.Grants.gov](http://www.Grants.gov)**

Limit file names to 50 characters and do not use special characters (example: &,-,\*,%/,#) including periods (.), blank spaces, and accent marks, within application form fields, and file attachment names. An underscore ( ) may be used to separate a file name.

### **Use only file formats supported by ACF**

It is critical that applicants submit applications using only the supported file formats listed here. While ACF supports all of the following file formats, **we strongly recommend that the two application submission files (Project Description and Appendices) are uploaded as PDF documents in order to comply with the two file upload limitation.** Documents in file formats that are not supported by ACF will be removed from the application and will not be used in the competitive review. This may make the application incomplete and ACF will not make any awards based on an incomplete application.

### **ACF supports the following file formats:**

- Adobe PDF – Portable Document Format (.pdf)
- Microsoft Word (.doc or .docx)
- Microsoft Excel (.xls or .xlsx)
- Microsoft PowerPoint (.ppt)
- Corel WordPerfect (.wpd)
- Image Formats (.JPG, .GIF, .TIFF, or .BMP only)

### **Do Not Encrypt or Password-Protect the Electronic Application Files**

If ACF cannot access submitted electronic files because they are encrypted or password protected, the affected file will be removed from the application and will not be reviewed. This removal may make the application incomplete and ACF will not make awards based on an incomplete application.

### **FORMATTING FOR PAPER APPLICATION SUBMISSIONS:**

The following requirements are only applicable to applications submitted in paper format. Applicants must receive an exemption from ACF in order for a paper format application to be accepted for review. See *Section IV.2. Request an Exemption from Required Electronic Application Submission* later in this section under *Application Submission Options* for more information.

### **Signatures**

An original signature of the AOR is required only on the original copy of paper format application submissions. A point of contact on matters involving the application must be identified on the SF-424 at item 8f. The point of contact, known as the Project Director or Principal Investigator, should not be identical to the person identified as the AOR.

### **Format Requirements for Paper Applications**

All application materials must be submitted on 8 ½" x 11" white paper with 1-inch margins. Applications must be in two sections. The first section must contain the entire Project Description and Budget Justification, and the second section must contain all required Appendices. The pages of the two sections must be separately and sequentially numbered.

All copies of mailed or hand-delivered paper applications must be submitted in a single package. If an applicant is submitting multiple applications under a single FOA, or multiple applications under separate FOAs, each application submission must be packaged separately. The package(s) must be clearly labeled for the specific FOA it addresses by FOA title and by Funding Opportunity Number (FON).

Because each application will be duplicated, do not use or include separate covers, binders, clips, tabs, plastic inserts, maps, brochures, or any other items that cannot be processed easily on a photocopy machine with an automatic feed. Do not bind, clip, staple, or fasten in any way separate sections of the application. Applicants are advised that the copies of the application submitted, not the original, will be reproduced by the federal government for review. All application materials must be one-sided for duplication purposes.

Instructions on the order of assembly for paper application submissions are available later in this formatting section.

### **Addresses for Submission of Paper Applications**

See *Section IV.6. Other Submission Requirements* for addresses for paper format application submissions.

### **Page Limitations and Content of the Application for All Submission Formats:**

**The Project Description for the FY2013 Discretionary Targeted Assistance Program must be 30 pages or less.**

*Your Project Description file should be in the following order:*

1. **Project Summary/ Abstract**
2. **Table of Contents**
3. **Logic Model**
4. **Objectives and Need for Assistance**
5. **Approach**
6. **Performance Evaluation and Outcomes**
7. **Organizational Capacity**
8. **Line-item Budget**
9. **Budget Justification**

*Your Appendices file must be 20 pages or less.*

**It should contain supporting documentation such as third-party agreements, memorandums of understanding, letters of support, and resumes.**

**Content inside of tables and charts may be single spaced.**

### **Required Forms, Assurances, and Certifications**

**Applicants seeking grant or cooperative agreement awards under this announcement must submit the listed Standard Forms (SFs), assurances, and certifications with the application.** All required Standard Forms, assurances, and certifications are available at [ACF Funding Opportunities Forms](#) or at the [Grants.gov Forms Repository](#) unless specified otherwise.

### Non-Federal Reviewers

Since ACF will be using non-federal reviewers in the review process, applicants have the option of omitting from the application copies (not the original) specific salary rates or amounts for individuals specified in the application budget as well as Social Security Numbers, if otherwise required for individuals. The copies may include summary salary information. If applicants are submitting their application electronically, ACF will omit the same specific salary rate information from copies made for use during the review and selection process.

## The Project Description

### Part I: The Project Description Overview

#### Purpose

The project description provides the majority of information by which an application is evaluated and ranked in competition with other applications for available assistance. It should address the activity for which federal funds are being requested, and should be consistent with the goals and objectives of the program as described in *Section I. Funding Opportunity Description*. Supporting documents should be included where they can present information clearly and succinctly. When appropriate, applicants should cite the evaluation criteria that are relevant to specific components of their project description. Awarding offices use this and other information in making their funding recommendations. It is important, therefore, that this information be included in the application in a manner that is clear and complete.

#### General Expectations and Instructions

Applicants should develop project descriptions that focus on outcomes and convey strategies for achieving intended performance. Project descriptions are evaluated on the basis of substance and measurable outcomes, not length. Extensive exhibits are not required. Cross-referencing should be used rather than repetition. Supporting information concerning activities that will not be directly funded by the grant or information that does not directly pertain to an integral part of the grant-funded activity should be placed in an appendix.

### Part II: General Instructions for Preparing a Full Project Description

#### Introduction

Applicants must prepare the project description statement in accordance with the following instructions while being aware of the specified evaluation criteria in *Section V.1. Criteria*. The text options give a broad overview of what the project description should include while the evaluation criteria identify the measures that will be used to evaluate applications.

#### Table of Contents

List the contents of the application including corresponding page numbers. The table of contents must be single spaced and will be counted against the total page limitations.

## **Project Summary/Abstract**

Provide a summary of the application's project description. The summary must be clear, accurate, concise, and without reference to other parts of the application. The abstract must include a brief description of the proposed grant project including the needs to be addressed, the proposed services, and the population group(s) to be served.

Please place the following at the top of the abstract:

- Project Title
- Applicant Name
- Address
- Contact Phone Numbers (Voice, Fax)
- E-Mail Address
- Web Site Address, if applicable

The project abstract must be single-spaced, in Times New Roman 12-point font, and limited to one page in length. Additional pages will be removed and will not be reviewed.

## **Objectives And Need For Assistance**

Clearly identify the physical, economic, social, financial, institutional, and/or other problem(s) requiring a solution. The need for assistance including the nature and scope of the problem must be demonstrated, and the principal and subordinate objectives of the project must be clearly and concisely stated; supporting documentation, such as letters of support and testimonials from concerned interests other than the applicant, may be included. Any relevant data based on planning studies should be included or referred to in the endnotes/footnotes. Incorporate demographic data and participant/beneficiary information, as well as data describing the needs of the target population and the proposed service area as needed. When appropriate, a literature review should be used to support the objectives and needs described in this section.

## **Outcomes Expected**

Identify the outcomes to be derived from the project. Outcomes should relate to the overall goals of the project as described in *Section I. Funding Opportunity Description*. If research is part of the proposed work, outcomes must include hypothesized results and implications of the proposed research.

All applicants must describe the outcomes of the projects that they plan to undertake. For example, if the applicant chooses to use funding to provide social adjustment services, the applicant should include a projection of the number of adults who will participate in the services and the expected employment and self-sufficiency outcomes (e.g., 50 adults will participate, 75 adults will complete an 4 hour training or workshop, 30 adults will obtain full-time employment, and 10 adults will obtain part time employment within three months of receiving services).

In addition to describing the outcomes of the proposed projects, all applicants must establish performance goals for each of the six ORR performance outcome measures (*see Section I.*). The outcomes must be linked with the performance goals. The proposed goals must reflect improvement during the project period from one year to another.

## **Approach**

Outline a plan of action that describes the scope and detail of how the proposed project will be accomplished. Applicants must account for all functions or activities identified in the application. Describe any design or technological innovations, reductions in cost or time, or extraordinary social and/or community involvement in the project. Provide a list of organizations, cooperating entities, consultants, or other key individuals that will work on the project, along with a short description of the nature of their effort or contribution.

Cite potential obstacles and challenges to accomplishing project goals and explain strategies that will be used to address these challenges.

Describe in detail how this approach will achieve the proposed objectives and justify the need for assistance. Describe how services will address social adjustment factors related to employment outcomes including supporting, achieving, and maintaining self-sufficiency(*See Section I.*). If a specific model of intervention is selected for case management or social adjustment services that facilitate employment, include a description of the model and any evidence that the model is applicable to refugee populations. Include relevant training for staff and community volunteers, if any.

Describe a feasible strategy for outreach to engage the targeted refugee population. Include mechanism to track results including self-reports from clients.

Describe how the proposed project complements or supplements existing services. Applicants must include a description of any existing and/or planned collaboration with mainstream providers. Describe any collaboration between state, county, city, ethnic community, non-profit, and faith-based entities.

### **Program Performance Evaluation Plan**

Applicants must describe the plan for the program performance evaluation that will contribute to continuous quality improvement. The program performance evaluation should monitor ongoing processes and the progress towards the goals and objectives of the project. Include descriptions of the inputs (e.g., organizational profile, collaborative partners, key staff, budget, and other resources), key processes, and expected outcomes of the funded activities. The plan must be supported by a logic model and must explain how the inputs, processes and outcomes will be measured, and how the resulting information will be used to inform improvement of funded activities.

Applicants must describe the systems and processes that will support the organization's performance management requirements through effective tracking of performance outcomes, including a description of how the organization will collect and manage data (e.g. assigned skilled staff, data management software) in a way that allows for accurate and timely reporting of performance outcomes. Applicants must describe any potential obstacles for implementing the program performance evaluation and how those obstacles will be addressed.

Applicants that propose case management and, or social adjustment services in their project design must describe the mechanisms that will be used to assess and demonstrate the impacts on individual and, or family self-sufficiency.

### **Geographic Location**

Describe the precise location of the project and boundaries of the area to be served by the proposed project.

### **Logic Model**

Applicants must submit a logic model for designing and managing their project. A logic model is a tool that presents the conceptual framework for a proposed project and explains the linkages among program elements. While there are many versions of the logic model, they generally summarize the logical connections among the needs that are the focus of the project, project goals and objectives, the target population, project inputs (resources), the proposed activities/processes/outputs directed toward the target population, the expected short- and long-term outcomes the initiative is designed to achieve, and the evaluation plan for measuring the extent to which proposed processes and outcomes actually occur.

### **Organizational Capacity**

Provide the following information on the applicant organization and, if applicable, on any cooperating partners:

- Biographical Sketches (short narrative description);
- Evidence that the applicant organization, and any partnering organizations, have relevant experience and expertise with administration, development, implementation, management, and evaluation of programs similar to that offered under this announcement;
- Evidence that each participating organization, including partners and/or subcontractors, possess the organizational capability to fulfill their role(s) and function(s) effectively;

### **Protection of Sensitive and/or Confidential Information**

If any confidential or sensitive information will be collected during the course of the project, whether from staff (e.g., background investigations) or project participants and/or project beneficiaries, provide a description of the methods that will be used to ensure that confidential and/or sensitive information is properly handled and safeguarded. Also provide a plan for the disposition of such information at the end of the project period.

### **Third-Party Agreements**

Third-party agreements include Memoranda of Understanding (MOU) and Letters of Commitment. General letters of support are **not** considered to be third-party agreements. Third-party agreements must clearly describe the project activities and support to which the third party is committing. Third-party agreements must be signed by the person in the third-party organization with the authority to make such commitments on behalf of their organization.

Provide written and signed agreements between grantees and subgrantees, or subcontractors, or other cooperating entities. These agreements must detail the scope of work to be performed, work schedules, remuneration, and other terms and conditions that structure or define the relationship.

### **Letters Of Support**

Provide statements from community, public, and commercial leaders that support the project proposed for funding. All submissions must be included in the application package.

### **The Project Budget and Budget Justification**

All applicants are required to submit a project budget and budget justification with their application. The project budget is input on the Budget Information Standard Form, either SF-424A or SF-424C, according to the directions provided with the SFs. The budget justification consists of a budget narrative and a line-item budget detail that includes detailed calculations for "object class categories" identified on the Budget Information Standard Form. The line-item budget detail and the budget narrative must be submitted as a single Budget Justification application component.

Project budget calculations must include estimation methods, quantities, unit costs, and other similar

quantitative detail sufficient for the calculation to be duplicated. If matching or cost sharing is a requirement, applicants must include a detailed listing of any funding sources identified in Block 18 of the SF-424 (Application for Federal Assistance). See the table in *Section IV.2. Required Forms, Assurances, and Certifications* listing the appropriate budget forms to use in this application.

***Special Note:*** *The Consolidated Appropriations Act, 2012 (Pub.L. 112-74), enacted December 23, 2011, limits the salary amount that may be awarded and charged to ACF grants and cooperative agreements. Award funds issued under this announcement may not be used to pay the salary, or any percentage of salary, to an individual at a rate in excess of Executive Level II. The Executive Level II salary of the Federal Executive Pay scale is \$179,700 (<http://www.opm.gov/oca/12tables/html/ex.asp>). This amount reflects an individual's base salary **exclusive** of fringe benefits and any income that an individual may be permitted to earn outside of the duties to the applicant organization. This salary limitation also applies to subawards/subcontracts under a ACF grant or cooperative agreement.*

Provide a budget using the 424A and/or 424C, as applicable, for the first year of the proposed project. Provide a budget justification, which includes a budget narrative budget and a line-item detail, for the first year of the proposed project. The budget narrative should describe how the categorical costs are derived. Discuss the necessity, reasonableness, and allocation of the proposed costs.

Discretionary TAG must be made available in a manner that does not supplant other refugee program funds and assures that not less than 95 percent of the amount of the grant award is made available to the county or other local entity. Pursuant to 45 CFR § 400.206 (b), state administrative costs are limited to a maximum of 5 percent of the total award to the state or Wilson Fish program.

## **General**

Use the following guidelines for preparing the budget and budget justification. When a match or cost share is required, both federal and non-federal resources must be detailed and justified in the budget and budget narrative justification. "Federal resources" refers only to the ACF grant funds for which the applicant is applying. "Non-federal resources" are all other non-ACF federal and non-federal resources. It is suggested that budget amounts and computations be presented in a columnar format: first column, object class categories; second column, federal budget; next column(s), non-federal budget(s); and last column, total budget. The budget justification should be in a narrative form.

## **Personnel**

Description: Costs of employee salaries and wages.

Justification: Identify the project director or principal investigator, if known at the time of application. For each staff person provide: the title; time commitment to the project in months; time commitment to the project as a percentage or full-time equivalent; annual salary; grant salary; wage rates; etc. Do not include the costs of consultants, personnel costs of delegate agencies, or of specific project(s) and/or businesses to be financed by the applicant. Contractors and consultants should not be placed under this category.

## **Fringe Benefits**

**Description:** Costs of employee fringe benefits unless treated as part of an approved indirect cost rate.

**Justification:** Provide a breakdown of the amounts and percentages that comprise fringe benefit costs such as health insurance, Federal Insurance Contributions Act (FICA) taxes, retirement insurance, and taxes.

## **Travel**

**Description:** Costs of out-of-state or overnight project-related travel by employees of the applicant organization. Do not include in-state travel or consultant travel.

**Justification:** For each trip show the total number of traveler(s); travel destination; duration of trip; per diem; mileage allowances, if privately owned vehicles will be used to travel out of town; and other transportation costs and subsistence allowances. If appropriate for this project, travel costs for key project staff to attend ACF-sponsored workshops/conferences/grantee orientations should be detailed in the budget.

## **Equipment**

**Description:** "Equipment" means an article of nonexpendable, tangible personal property having a useful life of more than one year per unit and an acquisition cost that equals or exceeds the lesser of: (a) the capitalization level established by the organization for the financial statement purposes, or (b) \$5,000. (Note: Acquisition cost means the net invoice unit price of an item of equipment, including the cost of any modifications, attachments, accessories, or auxiliary apparatus necessary to make it usable for the purpose for which it is acquired. Ancillary charges, such as taxes, duty, protective in-transit insurance, freight, and installation, shall be included in or excluded from acquisition cost in accordance with the applicant organization's regular written accounting practices.)

**Justification:** For each type of equipment requested applicants must provide a description of the equipment; the cost per unit; the number of units; the total cost; and a plan for use of the equipment in the project; as well as a plan for the use, and/or disposal of, the equipment after the project ends. An applicant organization that uses its own definition for equipment should provide a copy of its policy, or section of its policy, that includes the equipment definition.

## **Supplies**

**Description:** Costs of all tangible personal property other than that included under the Equipment category. This includes office and other consumable supplies with a per-unit cost of less than \$5,000.

**Justification:** Specify general categories of supplies and their costs. Show computations and provide other information that supports the amount requested.

## **Contractual**

**Description:** Costs of all contracts for services and goods except for those that belong under other categories such as equipment, supplies, construction, etc. Include third-party evaluation contracts, if applicable, and contracts with secondary recipient organizations (with budget detail), including delegate agencies and specific project(s) and/or businesses to be financed by the applicant. This area is not for individual consultants.

**Justification:** Demonstrate that all procurement transactions will be conducted in a manner to provide, to the maximum extent practical, open, and free competition. Recipients and subrecipients, other than states that are required to use 45 CFR Part 92 procedures, must justify any anticipated procurement action that is expected to be awarded without competition and exceeds the simplified acquisition threshold fixed by 41 U.S.C. § 134 and currently set at \$100,000. Recipients may be required to make pre-award review and procurement documents, such as requests for proposals or invitations for bids, independent cost estimates,

etc., available to ACF.

Note: Whenever the applicant intends to delegate part of the project to another agency, the applicant must provide a detailed budget and budget narrative for each contractor/sub-contractor, by agency title, along with the same supporting information referred to in these instructions. If the applicant plans to select the contractors/sub-contractors post-award and a detailed budget is not available at the time of application, the applicant must provide information on the nature of the work to be delegated, the estimated costs, and the process for selecting the delegate agency.

## **Other**

Enter the total of all other costs. Such costs, where applicable and appropriate, may include but are not limited to: consultant costs, local travel; insurance; food (when allowable); medical and dental costs (noncontractual); professional services costs (including audit charges); space and equipment rentals; printing and publication; computer use; training costs, such as tuition and stipends; staff development costs; and administrative costs.

Justification: Provide computations, a narrative description, and a justification for each cost under this category.

## **Indirect Charges**

Description: Total amount of indirect costs. This category should be used only when the applicant currently has an indirect cost rate approved by the Department of Health and Human Services (HHS) or another cognizant federal agency.

Justification: An applicant that will charge indirect costs to the grant must enclose a copy of the current rate agreement. If the applicant organization is in the process of initially developing or renegotiating a rate, upon notification that an award will be made, it should immediately develop a tentative indirect cost rate proposal based on its most recently completed fiscal year, in accordance with the cognizant agency's guidelines for establishing indirect cost rates, and submit it to the cognizant agency. Applicants awaiting approval of their indirect cost proposals may also request indirect costs. When an indirect cost rate is requested, those costs included in the indirect cost pool should not be charged as direct costs to the grant. Also, if the applicant is requesting a rate that is less than what is allowed under the program, the authorized representative of the applicant organization must submit a signed acknowledgement that the applicant is accepting a lower rate than allowed.

## **Paperwork Reduction Disclaimer**

As required by the Paperwork Reduction Act of 1995, 44 U.S.C. §§ 3501-3521, the public reporting burden for the Project Description is estimated to average 60 hours per response, including the time for reviewing instructions, gathering and maintaining the data needed, and reviewing the collection information. The Project Description information collection is approved under OMB control number 0970-0139, which expires 10/31/2015. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

## **Application Submission Options**

### **Electronic Submission via [www.Grants.gov](http://www.Grants.gov)**

- Additional guidance on the submission of electronic applications can be found at [http://www.grants.gov/applicants/get\\_registered.jsp](http://www.grants.gov/applicants/get_registered.jsp).
- If applicants encounter any technical difficulties in using [www.Grants.gov](http://www.Grants.gov), contact the Grants.gov Contact Center at: 1-800-518-4726, or by email at [support@grants.gov](mailto:support@grants.gov), to report the problem and

obtain assistance. Hours of Operation: 24 hours a day, 7 days a week. The Grants.gov Contact Center is closed on federal holidays.

- Applicants should always retain Grants.gov Contact Center service ticket number(s) as they may be needed for future reference.
- **Contact with the Grants.gov Contact Center prior to the listed application due date and time does not ensure acceptance of an application. If difficulties are encountered, the Grants Management Officer listed in *Section VII. Agency Contacts* will determine whether the submission issues are due to Grants.gov system errors or user error.**

### **Application Validation at [www.Grants.gov](http://www.Grants.gov)**

After an application has been successfully submitted to [www.Grants.gov](http://www.Grants.gov), it still must pass a series of validation checks. After an application is submitted, Grants.gov generates a submission receipt via email and also sets the application status to "Received." This receipt verifies that the application has been successfully delivered to the Grants.gov system.

Next, Grants.gov verifies the submission is valid by ensuring it does not contain viruses, the opportunity is still open, and the applicant login and applicant DUNS number match. If the submission is valid, Grants.gov generates a submission validation receipt via email and sets the application status to "Validated."

If the application is not validated, the application status is set to "Rejected." The system sends a rejection email notification to the applicant and the applicant must re-submit the application package. See "What to Expect After Submitting" at [www.Grants.gov](http://www.Grants.gov) for more information.

Each time an application is submitted, or resubmitted, via [www.Grants.gov](http://www.Grants.gov), the application will receive a new date and time stamp. Only those applications with on-time date and time stamps that result in a validated application, which are transmitted to ACF, will be acknowledged.

Applicants will be provided with an acknowledgement from Grants.gov that the submitted application package has passed, or failed, a series of checks and validations. Applications that are submitted on time that fail the validation check will not be transmitted to ACF and will not be acknowledged.

### **Request an Exemption from Required Electronic Application Submission**

ACF recognizes that some applicants may have limited or no Internet access, and/or limited computer capacity, which may prohibit them from uploading large files at [www.Grants.gov](http://www.Grants.gov). To accommodate such applicants, ACF offers an exemption from required electronic submission. The exemption will allow applicants to submit hard copy, paper applications by hand-delivery, applicant courier, overnight/express mail couriers, or by other representatives of the applicant.

To receive an exemption from required electronic application submission, applicants must submit a written request to ACF that must state that the applicant qualifies for the exemption for one of the two following reasons:

- Lack of Internet access or Internet connection, or
- Limited computer capacity that prevents the uploading of large documents (files) at [www.Grants.gov](http://www.Grants.gov).

Applicants may request and receive the exemption from required electronic application submission by either:

- Submitting an email request to [electronicappexemption@acf.hhs.gov](mailto:electronicappexemption@acf.hhs.gov), or
- Sending a written request to the Office of Grants Management Contact listed in *Section VII. Agency Contacts* in this announcement.

Requests for exemption from required electronic application submission will be acknowledged with an approval or disapproval.

Requests that do not state one of the two listed reasons will not be approved.

An exemption is applicable to all applications submitted by the applicant organization during the Federal Fiscal Year (FFY) in which it is received. Applicants need only request an exemption once in a FFY. Applicants must request a new exemption from required electronic submission for any succeeding FFY.

**Please Note:** [electronicappexemption@acf.hhs.gov](mailto:electronicappexemption@acf.hhs.gov) **may only be used to request an exemption from required electronic submission.** All other inquiries must be directed to the appropriate Agency Contact listed in *Section VII.* of this announcement. Queries or requests submitted to this email address for any reason other than a request for an exemption from electronic application submission will not be acknowledged or answered.

All exemption requests must include the following information:

- Funding Opportunity Announcement Title,
- Funding Opportunity Number (FON),
- The listed Catalog of Federal Domestic Assistance (CFDA) number,
- Name of Applicant Organization and DUNS Number,
- AOR name and contact information,
- Name and contact information of person to be contacted on matters involving the application (i.e., the Point of Contact), and
- The reason for which the applicant is requesting an exemption from electronic application submission. The request for exemption must state one of the following two reasons: 1) lack of Internet access or Internet connection; or 2) lack of computer capacity that prevents uploading large documents (files) to the Internet.

**Exemption requests must be received by ACF no later than two weeks before the application due date**, that is, 14 calendar days prior to the application due date listed in the *Overview* and in *Section IV.3. Submission Dates and Times*. If the fourteenth calendar day falls on a weekend or federal holiday, the due date for receipt of an exemption request will move to the next federal business day that follows the weekend or federal holiday.

Applicants may refer to *Section VIII. Other Information* for a checklist of application requirements that may be used in developing and organizing application materials. Details concerning acknowledgment of received applications are available in *Section IV.3. Submission Dates and Times* of this announcement.

### **Paper Format Application Submission**

**An exemption is now required for the submission of paper applications. See the preceding section on "Request an Exemption from Required Electronic Application Submission."**

Applicants with exemptions that submit their applications in paper format, by mail or delivery, must submit one original and two copies of the complete application with all attachments. The original and each of the two copies must include all required forms, certifications, assurances, and appendices, be signed by the AOR, and be unbound. The original copy of the application must have original signature(s). See *Section IV.6.* of this announcement for address information for paper format application submissions.

Applicants may refer to *Section VIII. Other Information* for a checklist of application requirements that may be used in developing and organizing application materials. Details concerning acknowledgment of received applications are available in *Section IV.3. Submission Dates and Times* in this announcement.

### **IV.4. Intergovernmental Review of Federal Programs**

This program is covered under Executive Order (E.O.) 12372, "Intergovernmental Review of Federal Programs," and 45 CFR Part 100, "Intergovernmental Review of Department of Health and Human Services Programs and Activities." #### **V. Application Review Information**

## V.1. Criteria

**Please note:** Reviewers will not access, or review, any materials that are not part of the application documents. This includes information accessible on websites via hyperlinks that are referenced, or embedded, in the application. Though an application may include web links, or embedded hyperlinks, reviewers will not review this information as it is not considered to be part of the application documents. Nor will the information on websites be taken into consideration in scoring of evaluation criteria presented in this section. Reviewers will evaluate and score an application based on the documents that are presented in the application and **will not** refer to, or access, external links during the objective review.

Applications competing for financial assistance will be reviewed and evaluated using the criteria described in this section. The corresponding point values indicate the relative importance placed on each review criterion. Points will be allocated based on the extent to which the application proposal addresses each of the criteria listed. Applicants should address these criteria in their application materials, particularly in the project description and budget justification, as they are the basis upon which competing applications will be judged during the objective review. The required elements of the project description and budget justification may be found in *Section IV.2* of this announcement.

## **V.2. Review and Selection Process**

No grant award will be made under this announcement on the basis of an incomplete application. No grant award will be made to an applicant or sub-recipient that does not have a DUNS number ([www.dbn.com](http://www.dbn.com)) and an active registration at SAM ([www.sam.gov](http://www.sam.gov)). See *Section III.3. Other*.

### **Initial ACF Screening**

Each application will be screened to determine whether it meets one of the following disqualification criteria as described in *Section III.3. Application Disqualification Factors*:

- Applications that are designated as late according to *Section IV.3. Submission Dates and Times*,
- Applications that are submitted in paper format without prior approval of an exemption from required electronic submission (*Section IV.2. Request an Exemption from Required Electronic Application Submission*), or
- Applications with requests that exceed the award ceiling stated in *Section II. Award Information*.

For those applications that have been disqualified under the initial ACF screening, notice will be provided by postal mail or by email. See *Section IV.3. Explanation of Due Dates* for information on Grants.gov's and ACF's acknowledgment of received applications.

### **Objective Review and Results**

Applications competing for financial assistance will be reviewed and evaluated by objective review panels using the criteria described in *Section V.1. Criteria* of this announcement. Each panel is composed of experts with knowledge and experience in the area under review. Generally, review panels include three reviewers and one chairperson.

Results of the competitive objective review are taken into consideration by ACF in the selection of projects for funding; however, objective review scores and rankings are not binding. They are one element in the decision-making process.

ACF may elect not to fund applicants with management or financial problems that would indicate an inability to successfully complete the proposed project. Applications may be funded in whole or in part. Successful applicants may be funded at an amount lower than that requested. ACF reserves the right to consider preferences to fund organizations serving emerging, unserved, or under-served populations, including those populations located in pockets of poverty. ACF will also consider the geographic distribution of federal funds in its award decisions.

ACF may refuse funding for projects with what it regards as unreasonably high start-up costs for facilities or equipment, or for projects with unreasonably high operating costs.

Please refer to *Section IV.2.* of this announcement for information on non-federal reviewers in the review process.

### **Approved but Unfunded Applications**

Applications recommended for approval that were not funded under the competition because of the lack of available funds may be held over by ACF and reconsidered in a subsequent review cycle if a future competition under the program area is planned. These applications will be held over for a period of up to one year and will be re-competed for funding with all other competing applications in the next available review cycle. For those applications that have been deemed as approved but unfunded, notice will be given of such determination by postal mail.

## **V.3. Anticipated Announcement and Award Dates**

Announcement of awards and the disposition of applications will be provided to applicants at a later date.

## **VI. Award Administration Information**

### **VI.1. Award Notices**

Successful applicants will be notified through the issuance of a Notice of Award (NOA) that sets forth the amount of funds granted, the terms and conditions of the grant, the effective date of the grant, the budget period for which initial support will be given, the non-federal share to be provided (if applicable), and the total project period for which support is contemplated. The NOA will be signed by the Grants Officer and transmitted via postal mail or email. Following the finalization of funding decisions, organizations whose applications will not be funded will be notified by letter signed by the cognizant Program Office head. Any other correspondence that announces to a Principal Investigator, or a Project Director, that an application was selected is not an authorization to begin performance.

Project costs that are incurred prior to the receipt of the NoA are at the recipient's risk and may be reimbursed only to the extent that they are considered allowable as approved pre-award costs. Information on allowable pre-award costs and the time period under which they may be incurred is available in *Section IV.5. Funding Restrictions*.

### **VI.2. Administrative and National Policy Requirements**

Awards issued under this announcement are subject to the uniform administrative requirements and cost principles of 45 CFR Part 74 (Awards And Subawards To Institutions Of Higher Education, Hospitals, Other Nonprofit Organizations, And Commercial Organizations) or 45 CFR Part 92 (Grants And Cooperative Agreements To State, Local, And Tribal Governments). The Code of Federal Regulations (CFR) is available at <http://www.gpo.gov>.

An application funded with the release of federal funds through a grant award does not constitute, or imply, compliance with federal regulations. Funded organizations are responsible for ensuring that their activities comply with all applicable federal regulations.

### **Prohibition Against Profit**

Grantees are subject to the limitations set forth in 45 CFR Part 74, Subpart E-Special Provisions for Awards to Commercial Organizations (45 CFR § 74.81\_Prohibition against profit), which states that, "... no HHS funds may be paid as profit to any recipient even if the recipient is a commercial organization.

Profit is any amount in excess of allowable direct and indirect costs."

## **Equal Treatment for Faith-Based Organizations**

Grantees are also subject to the requirements of 45 CFR § 87.1(c), Equal Treatment for Faith-Based Organizations, which says, "Organizations that receive direct financial assistance from the [Health and Human Services] Department under any Department program may not engage in inherently religious activities such as worship, religious instruction, or proselytization, as part of the programs or services funded with direct financial assistance from the Department." Therefore, organizations must take steps to completely separate the presentation of any program with religious content from the presentation of the Federally funded program by time or location *in such a way that it is clear that the two programs are separate and distinct*. If separating the two programs by time but presenting them in the same location, one program must *completely* end before the other program begins.

A faith-based organization receiving HHS funds retains its independence from federal, state, and local governments, and may continue to carry out its mission, including the definition, practice, and expression of its religious beliefs. For example, a faith-based organization may use space in its facilities to provide secular programs or services funded with federal funds without removing religious art, icons, scriptures, or other religious symbols. In addition, a faith-based organization that receives federal funds retains its authority over its internal governance, and it may retain religious terms in its organization's name, select its board members on a religious basis, and include religious references in its organization's mission statements and other governing documents in accordance with all program requirements, statutes, and other applicable requirements governing the conduct of HHS-funded activities.

Regulations pertaining to the Equal Treatment for Faith-Based Organizations, which includes the prohibition against federal funding of inherently religious activities, "Understanding the Regulations Related to the Faith-Based and Neighborhood Partnerships Initiative" are available at <http://www.hhs.gov/partnerships/about/regulations/>. Additional information, resources, and tools for faith-based organizations is available through The Center for Faith-based and Neighborhood Partnerships website at <http://www.hhs.gov/partnerships/index.html> and at the [Capacity Building Toolkits for Faith-based and Community Organizations](#).

## **Award Term and Condition under the Trafficking Victims Protection Act of 2000**

Awards issued under this announcement are subject to the requirements of Section 106 (g) of the Trafficking Victims Protection Act of 2000, as amended (22 U.S.C. § 7104). For the full text of the award term, go to <http://www.acf.hhs.gov/grants/award-term-and-condition-for-trafficking-in-persons>. If you are unable to access this link, please contact the Grants Management Contact identified in *Section VII. Agency Contacts* of this announcement to obtain a copy of the term.

## **Requirements for Drug-Free Workplace**

The Drug-Free Workplace Act of 1988 (41 U.S.C. §§ 8101-8106) requires that all organizations receiving grants from any federal agency agree to maintain a drug-free workplace. By signing the application, the Authorizing Official agrees that the grantee will provide a drug-free workplace and will comply with the requirement to notify ACF if an employee is convicted of violating a criminal drug statute. Failure to comply with these requirements may be cause for debarment. Government-wide requirements for Drug-Free Workplace for Financial Assistance are found in 2 CFR part 182; HHS implementing regulations are set forth in 2 CFR § 382.400. All recipients of ACF grant funds must comply with the requirements in Subpart B - Requirements for Recipients Other Than Individuals, 2 CFR § 382.225. The rule is available at [Requirements for Drug-Free Workplace](#).

## **Debarment and Suspension**

HHS regulations published in 2 CFR Part 376 implement the governmentwide debarment and suspension system guidance (2 CFR Part 180) for HHS' non-procurement programs and activities. "Non-procurement transactions" include, among other things, grants, cooperative agreements, scholarships, fellowships, and loans. ACF implements the HHS Debarment and Suspension regulations as a term and condition of award. Grantees may decide the method and frequency by which this determination is made and may check the Excluded Parties List System (EPLS) located at <https://www.sam.gov/>, although checking the EPLS is not required. More information is available at <https://www.acf.hhs.gov/grants-forms>.

## **Pro-Children Act**

The Pro-Children Act of 2001, 20 U.S.C. §§ 7181 through 7184, imposes restrictions on smoking in facilities where federally funded children's services are provided. HHS grants are subject to these requirements only if they meet the Act's specified coverage. The Act specifies that smoking is prohibited in any indoor facility (owned, leased, or contracted for) used for the routine or regular provision of kindergarten, elementary, or secondary education or library services to children under the age of 18. In addition, smoking is prohibited in any indoor facility or portion of a facility (owned, leased, or contracted for) used for the routine or regular provision of federally funded health care, day care, or early childhood development, including Head Start services to children under the age of 18. The statutory prohibition also applies if such facilities are constructed, operated, or maintained with federal funds. The statute does not apply to children's services provided in private residences, facilities funded solely by Medicare or Medicaid funds, portions of facilities used for inpatient drug or alcohol treatment, or facilities where WIC coupons are redeemed. Failure to comply with the provisions of the law may result in the imposition of a civil monetary penalty of up to \$1,000 per violation and/or the imposition of an administrative compliance order on the responsible entity.

## **HHS Grants Policy Statement**

The HHS Grants Policy Statement (HHS GPS) is the Department of Health and Human Services' single policy guide for discretionary grants and cooperative agreements. ACF grant awards are subject to the requirements of the HHS GPS, which covers basic grants processes, standard terms and conditions, and points of contact, as well as important agency-specific requirements. Appendices to the HHS GPS include a glossary of terms and a list of standard abbreviations for ease of reference. The general terms and conditions in the HHS GPS will apply as indicated unless there are statutory, regulatory, or award-specific requirements to the contrary that are specified in the Notice of Award (NoA). The HHS GPS is available at <https://www.acf.hhs.gov/grants/discretionary-competitive-grants>.

## **Freedom of Information Act (FOIA)**

Applications funded by federal grant programs are subject to disclosure under the Freedom of Information Act (FOIA), 5 U.S.C. § 552, and are frequently requested under the FOIA. In accordance with the FOIA requirement to proactively disclose frequently requested materials at 5 U.S.C. § 552(a)(2)(D), and as part of on-going efforts to promote openness in government programs, ACF will post some of the top-ranked applications funded under this FOA in its online FOIA Reading Room at <http://www.acf.hhs.gov/e-reading-room>. As required under the FOIA, each of the top-ranked applications will receive appropriate redaction of specific information to protect personal privacy and competitively sensitive commercial information. Applications chosen for posting to the FOIA Reading Room will be placed on the internet website without further notice to the applicants.

### VI.3. Reporting

Grantees under this funding opportunity announcement will be required to submit performance progress and financial reports periodically throughout the project period. The frequency of required reporting is listed later in this section. Final reports may be submitted in hard copy to the Grants Management Office Contact listed in *Section VII. Agency Contacts* of this announcement. Instructions on submission of reports electronically will be provided with award documents.

#### Performance Progress Reports (PPR)

Notice of Award documents will inform grantees of the appropriate performance progress report form or format to use. Grantees should consult their Notice of Award documents to determine the appropriate performance progress report format required under their award. Performance progress reports are due 30 days after the end of the reporting period.

Final program performance reports are due 90 days after the close of the project period. For awards that implement the use of the SF-PPR, that form may be found under "Reporting" at <https://www.acf.hhs.gov/grants-forms>.

#### Federal Financial Reports (FFR)

As of February 1, 2011, HHS began the transition from use of the SF-269, Financial Status Report (Short Form or Long Form) to the use of the SF-425 Federal Financial Report for expenditure reporting. SF-269s will no longer be accepted for expenditure reports due after that date. If an SF-269 is submitted, the ACF will return it and require the recipient to complete the SF-425.

The transition strategy is allowing individual HHS Operating Divisions to select--from a limited number of options--the approach that best fits their programs and business process. This transition does not affect completion or submission of the cash reporting to the HHS Division of Payment Management's Payment Management System (PMS). The primary features of this transition for recipients are that OPDIVs that previously required electronic submission of the SF-269 will receive the SF-425 expenditure reports electronically and, until further notice, OPDIVs that have been receiving expenditure reports in hard copy will continue to do so.

All expenditure reports will be due on one of the standard due dates by which cash reporting is required to be submitted to PMS or at the end of a calendar quarter as determined by the Operating Division. As a result, a recipient that receives awards from more than one OPDIV may be subject to more than one approach, but will not be required to change its current means of submission or be subjected to more than eight standard due dates.

Beginning with budget periods which end from January 1 - March 31, 2011, and for all budget periods thereafter, all affected ACF grantees will be required to submit an SF-425 report as frequently as is required in the terms and conditions of their award using due dates for reports to PMS.

#### For budget periods ending in the months of:

January 01 through March 31

April 01 through June 30

July 01 through September 30

#### The FFR (SF-425) is due to ACF on:

April 30

July 30

October 30

Fillable versions of the SF-425 form in Adobe PDF and MS-Excel formats, along with instructions, are available at <http://www.whitehouse.gov/omb/grants/forms>, [www.forms.gov](http://www.forms.gov), and on at <https://www.acf.hhs.gov/grants-forms>. Further instructions will be provided, as necessary, with award terms and conditions that will address specific reporting periods and due dates on an award-by-award basis.

For planning purposes, ACF reporting periods for awards made under this announcement are as follows:

Program Progress Reports: Tri-Annually

Financial Reports: Semi-Annually

Awards issued as a result of this funding opportunity may be subject to the Transparency Act subaward and executive compensation reporting requirements of 2 CFR Part 170. See ACF's Award Term for Federal Financial Accountability and Transparency Act (FFATA) Subaward and Executive Compensation Reporting Requirement implementing this requirement and additional award applicability information at <https://www.acf.hhs.gov/grants/discretionary-competitive-grants>.

### **SF-428 Tangible Property Report and SF-429 Real Property Status Report**

As of April 1, 2012, the Administration for Children and Families has been requiring the use of the SF-428 (Tangible Personal Property Form) as well as the SF-429 (Real Property Status Report).

The **SF-428** is a standard form used by awarding agencies to collect information related to tangible personal property (equipment and supplies) when required by a federal financial assistance award. The form consists of the cover sheet, SF-428, and three attachments to be used as required: Annual Report; Final (Award Closeout) Report and a Disposition Request/Report. A Supplemental Sheet, SF-428S, may be used to provide detailed individual item information.

The **SF-429** is a standard report used by recipients of federal financial assistance to report real property status (Attachment A) or to request agency instructions on real property (Attachments B, C) that has been/will be provided as Government Furnished Property (GFP) or acquired (i.e., purchased or constructed) in whole or in part under a federal financial assistance award (i.e., grant, cooperative agreement, etc.). This includes real property that was improved using federal funds and real property that was donated to a federal project in the form of a match or cost share donation. This report is used for awards that establish a federal Interest on real property.

Beginning with budget periods ending September 30, 2012, and for all budget periods thereafter, all ACF grantees are required to submit (as applicable) an SF-428 and SF-429 report as frequently as required in the terms and conditions of their award(s).

The forms are available at <http://www.whitehouse.gov/omb/grants/forms>.
